This is only an ESTIMATE. The actual diagnostic or treatment plan may require more diagnostics, medications, or procedures. The range of this estimate may vary by as much as 10-15%. This Estimate is valid for 30 days.

For dental cleanings and procedures - Under anesthesia we often find problems previously undetected. Often broken, cracked, infected, loose, or abscessed teeth are found. These problems are painful and may require treatment and/or extractions.

Should unforeseen, non-emergency procedures not listed above be necessary and desirable in the attending Veterinarian's professional judgment:

I request that the Veterinarians use his/her best judgement to provide the therapy and procedures needed.

I request to be telephoned prior to any additional procedures, other than emergencies. However, if I cannot be reached, I understand the Veterinarian will use his/her best judgement to provide the therapy and procedures needed.

I have read and do understand this estimate. I do understand that services rendered are due on the day they are received. I understand and

agree to pay a finance charge of 1.5% per month on any unpaid balance. Any attorney or collection fees incurred due to delinquency in payment will be my responsibility.

Please indicate which form of payment is intended to be used for today's services:
